

Learn what a P3 is, how to recognize an approaching P3 in your workplace, and how to prevent or suppress these forms of privatization.

Experts including Natalie Mehra, author of *Flawed, Failed Abandoned: 100 P3s*, CUPE researcher Eugene Kostyra and CUPE BC president Barry O'Neill will be among the guest speakers and workshop leaders at the conference.

Featured will be two expert-led workshops.

***FIGHTBACK* will teach our members how to recognize a P3, and how to successfully combat this form of privatization in today's political climate.**

***LOBBYING* will teach participants how to inform legislators and decision-makers on the progressive position on P3s, and the impact this type of privatization has on the community, taxpayers and public services.**
