EQUALITY STATEMENT

Union solidarity is based on the principle that union members are equal and deserve mutual respect at all levels. Any behaviour that creates conflict prevents us from working together to strengthen our union.

As unionists, mutual respect, cooperation and understanding are our goals. We should neither condone nor tolerate behaviour that undermines the dignity or self-esteem of any individual or creates an intimidating, hostile or offensive environment.

Discriminatory speech or conduct which is racist, sexist, transphobic or homophobic hurts and thereby divides us. So too, does discrimination on the basis of ability, age, class, religion, language and ethnic origin.

Sometimes discrimination takes the form of harassment. Harassment means using real or perceived power to abuse, devalue or humiliate. Harassment should not be treated as a joke. The uneasiness and resentment that it creates are not feelings that help us grow as a union.

Discrimination and harassment focus on characteristics that make us different; and they reduce our capacity to work together on shared concerns such as decent wages, safe working conditions, and justice in the workplace, society and in our union.

CUPE's policies and practices must reflect our commitment to equality. Members, staff and elected officers must be mindful that all persons deserve dignity, equality and respect.

CONFERENCE INFORMATION

BOTTLED WATER

Delegates are asked to refrain from commercially bottled water and, instead, drink tap water. Bottled water is banned from CUPE events. (Resolution E4, 2008 Convention)

SCENT-FREE ENVIRONMENT

Delegates are asked to refrain from wearing scented products. (Resolution L15, 2007 Convention; Resolution E24, 2012 Convention)

SMUDGING CEREMONY

A smudge will be held at the times indicated on the conference agenda.

What is Smudging? Smudging is a purification ceremony that usually initiates healing sessions. It is also a way to cleanse.

Smudging is done using the smoke from sacred plants such as sage, sweet grass, or cedar. The smoke from the sacred medicine purifies the mind, body, and spirit. The smoke is believed to disperse impurities.

Anyone can participate, though there are some traditional cultural restrictions. Ask a member of the Aboriginal Council to learn more.
