ALTERNATIVE SUPPORT REQUESTS

CUPE Saskatchewan must balance the overall number of BBQs, as well as regional and sectoral fairness. If we are unable to accommodate your BBQ request, please list other opportunities for CUPE SK to support your local's outreach efforts in lieu of a BBQ event.

Examples: reasonable sponsorship to help cover costs of a different outreach event, supplying promotional items for an initiative led by your local, assistance promoting your local's outreach efforts, and other ways we can assist your work.
